

# Lean Six Sigma Master Black Belt®

Master Black Belt (MBB) certification is a mark of career excellence and aimed at individuals who possess exceptional expertise and knowledge of current industry practice. Master black belts have outstanding leadership ability, are innovative, and demonstrate a strong commitment to the practice and advancement of quality and improvement. Obtaining an MBB is acceptance and recognition from your peers.

4P Advisory Services

## Who should attend?

The target audience for the MBB certification are candidates who are or have been employed as MBBs within their organization, or well qualified certified Lean/Six Sigma Black Belts (CSSBB) who have substantial experience in each of the major topic areas within the portfolio.

---

Consulting, Training, Projects, Examinations, Assessment & Audit
